chocolate bar coasters

When City Bakery invited us to participate in their night of knitting and hot chocolate, we were delighted! We designed these Chocolate Bar Coasters for our workshop the night of the event.

The yarn, Cascade's Chunky 128 Superwash Wool, is the perfect yarn; it's super soft, comes in a great range of chocolate inspired colors and is machine washable. We think these coasters make a perfect place to rest a mug of anything hot, but especially hot chocolate!

FINISHED MEASUREMENTS: Approximately 4" square
