

## Just Triangles Entrelac Scarf

### MATERIALS (14pt)

- 4 skeins of Alchemy's Tweedy, 31% mohair, 20% silk, 49% cotton. These colors are, from the left: Platinum, Magnolia, Silver and Teardrop.
- A US #5, 24 or 32 inch circular needle
- A Size F (4 mm) crochet hook

### GAUGE

6 stitches = 1 inch in garter stitch  
(unblocked)

### SIZE

7 inches wide and 78 inches long (blocked)

### NOTES

Colors: For this version, here's how I assigned the colors:

Color A - Magnolia (light gray)

Color B - Teardrop (pink)

Color C - Platinum (cream)

Color D - Silver (medium gray)

## PATTERN

### TRIANGLE # 1

With Color A, cast on 300 stitches.

Row 1 (wrong side): K1, turn the work.

Row 2 (right side): Repeat Row 1.

Row 3: K2, turn.

Row 4: Repeat Row 3.

Row 5: K3, turn.

Row 6: Repeat Row 5.

Row 7: K4, turn.

Row 8: Repeat Row 7.

Continue in this pattern, working one additional stitch from the cast on edge at the end of every wrong side row. End with the wrong side row that brings your stitch count to 60. Do not turn the work. (60 stitches on the right needle and 240 stitches on the left needle)

Cut Color A.

### TRIANGLE #2

Change to Color B. Work as for the first triangle, working the cast on stitches...

\*Row 1 (wrong side): K1, turn.

Row 2 (right side): Repeat Row 1.

Row 3: K2, turn.

Row 4: Repeat Row 3.

Continue in pattern, working an additional cast on stitch at the end of every wrong side row and knitting to the end of the current color on every right side row. Do not work any of the previous triangle's stitches.

Work until there are 60 stitches of the current color, ending with a wrong side row.

Do not turn. Cut the yarn.\*\*

## TRIANGLE #3, 4, AND 5

Change to Color C and repeat from \* to \*\*. Change to Color D and repeat from \* to \*\*. Change to Color B and repeat from \* to \*\*, except this time, turn the work at the end so the right side is facing you.

## TRIANGLE #6

Now that you have worked the whole cast on and have formed five triangles, you will

work in the other direction, knitting more triangles that in the end will create a rectangle. Magic!

Triangle #6 is really a half a triangle and is worked over the 60 stitches of Triangle #5. Change to Color A.

Row 1 (right side): K1, turn the work.

Row 2 (wrong side): Knit into front and back (kfb), turn. (1 Color A stitch increased)

Row 3: K1, ssk (1 stitch of Color A together with 1 stitch of Color B), turn. (1 Color B stitch decreased)

Row 4: Kfb, k1, turn. (1 Color A stitch increased)

Row 5: Knit to last stitch of Color A, ssk, turn. (1 Color B stitch decreased)

Row 6: Knit to last 2 stitches, kfb, k1, turn. (1 Color A stitch increased)

Repeat Rows 5 and 6 until there are 30 stitches of Color A and 30 stitches of Color B, ending with a right side row.

Next Row (wrong side): Knit to last 3 stitches, ssk, k1, turn. (1 Color A stitch decreased)

Next Row (right side): Repeat Row 5.  
Repeat the last two rows until two stitches of each color remain, ending with a right side row. Turn the work.

Next Row (wrong side): K2tog, turn.

Next Row (right side): Slip, slip, slip, k3tog. 1 stitch remains.

Cut Color A.

#### TRIANGLE #7

Change to Color C and with the right side facing you, pick up 59 stitches along the left side of Triangle #5. (60 stitches total)

\*Turn the work.

Row 1 (wrong side): Knit to last 3 stitches, k2tog, k1, turn. (1 Color C stitch decreased)

Row 2 (right side): Knit to last stitch of Color C, ssk (1 stitch of Color C together with 1 stitch of Color D), turn. (1 Color D stitch decreased)

Repeat Rows 1 and 2 until two stitches of each color remain, ending with a right side row. Turn the work.

Next Row (wrong side): K2tog, turn.

Next Row: Slip, slip, slip, k3tog. 1 stitch remains.

Cut Color C. \*\*

## TRIANGLE #8, 9, AND 10

Change to Color B and with the right side facing you, pick up 59 stitches along the left side of Triangle #4. (60 stitches total)

Repeat From \* to \*\* of Triangle #7 section, substituting "Color C" with "Color B" and "Color D" with "Color C".

Change to Color A and with the right side facing you, pick up 59 stitches along the left side of Triangle #3. (60 stitches total)

Repeat From \* to \*\* of Triangle #7 section, substituting "Color C" with "Color A" and "Color D" with "Color B".

Change to Color D and with the right side facing you, pick up 59 stitches along the left side of Triangle #2. (60 stitches total)

Repeat From \* to \*\* of Triangle #7 section, substituting "Color C" with "Color D" and "Color D" with "Color A".

## TRIANGLE #11

This final triangle is another half triangle, this one worked a little differently than the first.

Change to Color C and with the right side facing you, pick up 59 stitches along the left side of Triangle #1. (60 stitches total)

Turn the work.

Row 1 (wrong side): Knit all 60 stitches, turn.

Row 2 (right side): K1, ssk, knit to last 3 stitches, k2tog, k1, turn. (2 stitches decreased)

Repeat Rows 1 and 2 until four stitches remain, ending with a right side row.

Next Row (wrong side): Knit, turn.

Next Row (right side): Ssk, k2tog, turn. (2 stitches)

Next Row: K2tog. (1 stitch)

Cut the yarn and pull it through the remaining stitch.

### CROCHET EDGE

With Color A and the right side facing you, start at the right bottom corner of the scarf and make 28 single crochets (sc) along the short end of the scarf.

Chain 1 to turn the corner and make 30 sc along the edge of the first triangle. Continue along the long side of the scarf, making 59 sc for each triangle, until the last one. Make 30 sc along the edge of the final triangle.

Chain 1 to turn the corner and make 28 sc along the other short end of the scarf. Chain 1 and slip stitch into the cast on edge to finish. Cut the yarn and pull it through the remaining stitch.

### FINISH

Now weave in the ends and gently block your scarf. You're all done!
